The following resources from the Transparency in Learning and
Teaching project (TILT Higher Ed) can help faculty, educational
developers and administrators to apply the Transparency
Framework (of purpose/task/criteria) in contexts including
assignments, curricula, assessment and strategic initiatives, all
toward the goal of enhancing student success equitably.

TILT Higher Ed Examples and Resources

This guide, updated for use with the sixth edition of the
Publication Manual of the American Psychological Association ®,
is designed to help improve students' understanding and use of
APA Style ® before they begin writing term papers and research
reports, allowing instructors in academic settings to concentrate
more on course material and less on correcting style errors in
students' papers.
