Every Last Word spoke to me in a way that no one can understand. I'm truly surprised that this book has left a big impact on me after reading it because I didn't expect that it would leave such an impression. Normally, I'd comment on the author's writing style, the characters' developments, etc., but I simply have no words for this one.

The book is the story of this transformation. This is not an autobiography, though it could read like one in parts. It is not even a collection of intellectual essays, though it could read like one in parts. It is the retelling of some historical events and how those events impacted the journey of Rahul Roushan and countless people like him.
