Principles of Turbomachinery, 2nd Edition Welcome to the Web site for Principles of Turbomachinery, 2nd Edition by Seppo A. Korpela. This Web site gives you access to the rich tools and resources available for this text. You can access these resources in two ways:

Korpela: Principles of Turbomachinery, 2nd Edition ...

Principles of Turbomachinery - Second Edition. R.K. Turton. Prior to the purchase I read several good reviews. I completely disagree. The book does not show how equations are obtained, saying only "it can be shown that...". Examples are not clear and many discussions contain phrases like "the texts by Stepannof and Pfeleiderer may be consulted for the equations", "A comprehensive series of papers....was given during aSeminar ant should be consulted."
