The fact that Ceolin is reinventing the very notion of the emblem should not surprise us at all. The 1531 publication of the first emblem book by another Italian, a jurist named Andrea Alciato, inaugurated a fascination with emblems that lasted two centuries and spread to many European countries. Alciato wrote the epigrams contained in

The humble chair has long been the subject of invention and reinvention. From reclining and office chairs to today's ever-shrinking airline seats, designers have wrestled with ways to make it more appealing to the eye, more compact, more ergonomic, but, regrettably, hardly more comfortable. Some designs really push the envelope, even challenging what it means to be a chair.
