In the early 1440s, Portuguese mariners launched what would become the transatlantic slave trade. In 1453, Gomes Eannes de Azurara, an official chronicler and aide to Prince Henry (identified by Azurara below as "the Infant"), principal sponsor of Portuguese expansion into Africa, completed a history that celebrated the Portuguese "discovery and conquest of Guinea."

## **Excerpts from the Chronicle of the Discovery and Conquest ...**

The discovery doctrine, also called doctrine of discovery, provided a philosophical framework for Christian explorers, to lay claim to territories uninhabited by Christians. Under this belief, title to lands lay with the government whose subjects travelled to and occupied a territory whose inhabitants were not subjects of a European Christian monarch. The doctrine was strongly held by King Ferdinand and Queen Isabella of Spain who financed Columbus' first expedition to America ...

## **Duke University Press - The Discovery and Conquest of Peru**

The European colonization of the Americas describes the Age of Exploration and the resulting conquest and establishment of Western European control in what is now considered North and South America. Europe had been preoccupied with internal wars and was slowly recovering from the loss of population caused by the Black Death; thus the rapid rate at which it grew in wealth and power was ...
