World War II research papers are custom written to examine what caused the war, who were the main players and how the battles of the war played out. History writers can explain any aspect of WWII for you in a research paper. World War II began September 1, 1939 when Adolf Hitler's Armies invaded Poland . Some historians argue that the war was merely an extension of World War I after a temporary interruption created by the armistice of 1918.
